MCSALLY IS LISTENING TO ANTI-SCIENCE FRINGE GROUPS

Where does she get this from? For the previous [two years](#) in a row, Martha McSally has been listed as a speaker at the American Enterprise Institute's secretive conference at the Sea Island resort in Georgia, described as a "[notoriously hush-hush affair](#)."

This is the same group whose scholars [promoted an op-ed](#) with a conspiracy theory about COVID-19 being a Chinese bio-weapon, called the link between methane and climate change "[completely baseless](#)." They've also taken over [\\$4 million in funding](#) from Exxon Mobil.
